

FLYINGTON

SELFIE DRONE

Ever wonder what a bird's eye view looks like? Made to go above and beyond, the Flyington takes you on a ride of a lifetime. Remotely controlled through an app on your smart device, the Flyington does so much more than just fly. It takes real-time pictures (including selfies) and videos, features aerobatic flight, real-time camera transmission, and phone-tilt control. Small in size but big on thrills, the Flyington is loaded with a ton of flying fun! With a user-friendly interface, you'll be soaring to new heights in no time!
