

RINGR \ SMART PHONE MULTI-TOOL \

If you like your brand, then you should put a ring on it! The Ringr is a handy-dandy, multi-purpose accessory for your phone or tablet. Use it as a kickstand or a selfie aid, mount it to your wall or vehicle for hands-free device usage, or use it to get a grip on larger gadgets. The full-color dome imprint makes a statement bigger than a three carat diamond (almost).
